Dear Sirs,

M.S. "ESSO 5"

R

The Oslo Surveyors state that this vessel has been sold to Mr. Hans Zwart of Rotterdam and that she is being towed from Oslo to your port.

The Special Survey became due at the end of July last and as a result of satisfactory General Examinations carried out in June 1961 and in February last, the Committee agreed to this inspection being postponed until the end of the present month.

It is concluded the new Owner will maintain classification with this Society and I shall be glad to learn what arrangements are proposed to be made for the Special Survey to be carried out.
