

# LLOYD'S REGISTER OF SHIPPING

Oslo, 26th October, 1961.  
Tollbugaten 27

Dear Sir,

Motorship "ESSO 5".

With reference to your letter of 23rd October, 1961, regarding this ship the Owners have now dropped the question of sailing the vessel to Italy, but have returned to the question/whether <sup>of</sup> the vessel is considered suitable for a winter voyage to Holland, Germany or Belgium.

This information is purely so that they can inform their brokers if permission can be granted for such a voyage to a Northern Europe Port as this greatly extends the possibility of a sale. p

Yours faithfully,  
THE SURVEYORS,  
Per
