Dear Sir,

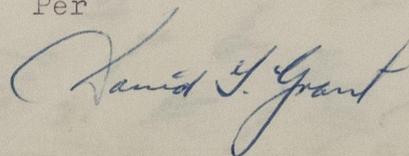

M.S. "ESSO 5".

With reference to your letter of 20th June, 1961, regarding the contemplated sale of this ship to Italian Owners we have now been asked by the present Owners whether the Society could approve a voyage to Italy during the winter months as they have received an exceptionally good offer for the vessel with delivery now.

The Superintendent is against making such a voyage in winter but his directors have asked for your views on the matter. We have had this ship under survey in this district for many years and we agree with the Owners Superintendent's opinion on the matter.

We personally feel that if your reply is in the negative the Owners will accept this as they are aware of the history of the vessel.

Yours faithfully,
THE SURVEYORS,
Per

The Secretary,
London.
