Dear Sir:

"FENIX"

We understand from the Owners that this vessel was built at Mitsubishi yard in Japan and handed over on May the 15th. They are now finding difficulty in obtaining permanent Liberian Registry without the Classification certificates.

It would be appreciated if you could advise us where these certificates may now be and if they have not yet been sent, please forward them immediately to Combined Argosies, Inc., 576 Fifth Avenue, New York 36, N.Y. for the attention of Mr. Vrankovic.

Yours faithfully,

Secretary to the American
Committee
