Dear Sirs,

Société Française de Transports Pétroliers.-  
M/T "BOURGOGNE", "LORRAINE", "LANGUEDOC"

Your Rotterdam Office has no doubt informed you of the transfer to the Bureau Véritas Classification of the above-mentioned vessels. We wish to advise you officially of this decision dictated by considerations in which the high competence and integrity of your Society and its Surveyors have never been in question.

We received the visit of Mr. Taxil, your Society's Representative in France. We set out to him by word of mouth the reasons which have led us to take this decision, and we ask you to accept, Dear Sirs, with our regrets, the expression of our distinguished sentiments.

Yours faithfully,
