QUESTION.

With reference to the Boiler Survey which became due so long ago as March last, I shall be glad if you will ascertain from the Owners and let me know in course of post what definite arrangements have been made for this inspection to take place.

ANSWER.

Date:—

October 15th, 1929.

As this Vessel belongs to the West Coast, I wired the Owners and they have replied by wire, copies of which I enclose herewith, that they do not wish to retain the Class.

I have today written them asking for an official letter regarding same, which I will forward on to you immediately on receipt.
