Dear Sirs,

Passenger Ferry built by
Messrs. Schiffswerft R. Meier & Söhne, SD
Hamburg-Altenwerder, Yard No. 59,
For the Government Transport Dept. (Ghana),
Post Box No. 384, Accra

The report of the survey of this vessel during construction has been received from the Surveyors at Hamburg but assignment of the class "A1 "River Volta Service" has been deferred pending receipt of reports of the satisfactory condition of the hull and machinery of the ship on arrival in her service area.

It is considered that this survey should be carried out by an exclusive Surveyor and I shall be glad if you will arrange for this to be done and let me have your reports as soon as possible thereafter so that the case can be submitted to the Committee for assignment of class.

Yours faithfully,

Deputy Clerk to the
Classification Committee.

The Surveyors,
LAGOS.
