

Mr. J. L. Stevens

A survey on arrival at the River Volta is required if this small craft is to be classed.

The time & expense would be out of all proportion if the survey were done from the nearest port (Lagos).
What do you suggest?

consider an elegant
surveyor from Lagos
should come out
this examination

R. Volta - about 300 miles
from Lagos.
Will an acting man
office?
Possibly an
elderly man
experience.
