

ANNUAL SURVEYS - DANISH SHIPS.

It is submitted the Rotterdam Surveyors be informed that the reply to their cable is "yes",

In confirming they might be informed that in accordance with a letter received in February last the Society was authorized to hold Annual Surveys on Danish ships. They should forward a report in all cases to this Office in order that the Danish Authorities may be advised. They should ~~further~~ be informed that a further communication from the Danish Authorities has been advised, but has not yet been received. They will be instructed further on receipt of this communication.
