12th March, 1959.

Dear Sirs,

Motorship "DUE GOLFI"

With reference to your cablegram of the 23rd ultimo, the Society's Surveyors in the Suez Canal area were instructed regarding completion of the Donkey Boiler Survey.

The Port Said Surveyor on the 11th instant cabled as follows:-

"REYOURCAB TENTH DUEGOLFI ATTENDED VESSEL  
MARCH FOURTH FOUND BOILER NOT UNDER STEAM  
STOP ARRANGEMENTS MADE WITH OWNERS REPRESENTATIVES  
AND CHIEF ENGINEER SETTLED SURVEY FIFTH 1500  
HOURS VESSEL LEFT FIFTH 0100 WITHOUT ADVISE  
BOUND FOR SEPIPHOS ISLAND GREECE STOP  
PROBABLY RETURNING PORTSAID APRIL STOP PLEASE  
ADVISE"

In view of the fact that this survey became due so long ago as May, 1958, the case was referred to the Committee today. They insist that the survey must be completed in Greece or at the latest on the vessel's return to Port Said in April, and I shall be glad if you will strongly impress upon the Owners the necessity for complying with this decision by the limiting period stated above.

Yours faithfully,

Assistant Clerk to the  
Classification Committee.

The Surveyors,  
NAPLES.
