Dear Sirs,

I am in receipt of your letter of the 18th instant regarding the steamer "BARALT" from which I am pleased to learn that Mr. Ernest Olivier is now in the Mediterranean arranging to carry out her Special Survey for class maintenance on arrival.

We have today received a cablegram from the Society's Surveyor at Piraeus intimating that the survey will be held under his supervision, and the necessary instructions are being sent to him.

Yours faithfully,

Clerk to the  
Classification Committee

Messrs. Olivier & Sons Ltd.,
