Dear Sirs,

"REDSHANK C"

We acknowledge receipt of your letter of 27th instant, together with copy letter received from Lloyds Register of Shipping.

The nylon propeller has been running satisfactory since August, but as we have no spare blades in nylon and the prospect of receiving any in the near future appears remote, we have a bronze propeller on hand and this will be fitted when occasion arises.

If we have to fit the bronze blades, local office of Lloyds will be notified. We are not greatly concerned about classification, as the craft are not maintained to this standard, but to the requirements of local authorities on whose waters we operate.

Yours faithfully,

(Signed) H.A. Cobby.
