

232 H

M.V. WOOLWICH

Shipbuilders: Messrs. Caledon

Yard No. 491

Engineers: Messrs. Alex. Stephen

Engine No. 108E

It is submitted it is concluded that a Nikabium propeller is in fact fitted, in which case the restricted speed range should be between 51 and 60 RPM, but this should be confirmed and the moment of inertia <sup>of this propeller</sup> given for record purposes.
