Dear Sir,

M.S. "RAYLIGHT"

With reference to Greenock Report No. 27341, I shall be glad if you will request the Surveyor to endorse the attached Shafting Certificate as having been examined in the finished condition and found satisfactory, and return the document to this Office.

It is concluded that an automatic voltage regulator was fitted in connection with the main engine driven generator, but confirmation of this point is desired.

Yours faithfully,

Deputy Clerk to the
Classification Committee

The Secretary,
GLASGOW
