Dear Sirs,

Motorship "NARRA"

The Committee have today had before them your cablegram of today's date and in confirmation of my reply I would inform you that they have agreed to the Owners' request in principle.

As the year of grace will expire in February the question of classification is involved as well as Loadline renewal. The Committee will be prepared to agree to the Special Survey being deferred until 20th March and the Load Line certificate being extended to a similar date provided the ship is found or placed in a satisfactory condition at the Load Line Renewal Survey which it is noted is now being held. You will, of course appreciate that a report On Form Rpt 8 should be prepared in addition to the report of Freeboard Survey.

Yours faithfully, -

Clerk to the
Classification Committee.

The Surveyors,
KOBÉ
