13th January, 1938.

Dear Sirs,

M. I have to inform you that the Steel Single Screw Steamer "BRASTED", Messrs. The Burntisland Shipbuilding Co's Yard No. 217, has proceeded to your port with a view to the installation of the machinery.

To complete the survey on the hull the following remains to be done:- Steering gear and windlass to be seen in working condition, and the Engine and boiler casings to be examined on completion.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and, on completion of the work, to forward a report on form No. 8 with a view to the classification of the vessel.

I am, Dear Sirs,

Yours faithfully,

Secretary.

The Surveyors,

NEWCASTLE/TYNE.
