Dear Alec,

Many thanks for your letter regarding the bower anchors on the "SLIEDRECHT".

I have spoken to Mr. Roslund and, as you surmised, the weight reported was the "dropped" weight and the correct figures should be:-

Cert.No.	1449	...	...	Weight	56	-	0	-	8	✓
"	"	1037	...	"	55	-	0	-	1	✓
"	"	1546	...	"	56	-	2	-	8.	✓

We hope that with the above information you can put things straight.

I have been very sorry to hear about conditions in England now. Even if it is cold outside here it is fine indoors and there is plenty of food (at a price).

Kind regards,

Yours sincerely,

Jack Davis.
