CGB/BN

Dear Sirs,

M.S. "MONSUN"

Following the survey held at Helsingfors on 23rd and 24th May, the class of this ship has been continued subject, inter alia, to the Main Engine "A" frame stiffening plates between units Nos.5 forward and aft, No.6 forward, No.7 forward, Nos.8 & 9 forward, and aft being specially examined and dealt with on the ship's arrival at your Port and before the end of the present month.

It is noted from the Shipping Papers that this vessel arrived at your Port on 5th June and it is concluded therefore that this matter is now receiving attention.

Yours faithfully,

pro Classification Manager,

The Surveyors,
HAMBURG.
