Dear Sir,

m.s. "MONSUN", ex. "MADELEINE".

The Owners of this ship kindly ask you to inform which ME details were examined by the Society's Surveyors during the inspections effected in Hongkong between the 19th August and 11th September 1965.

The present Owners don't have any notations regarding these items because the interim certificates probably have been retained by the previous Owners on whos behalf these inspections were done.

Yours faithfully

THE SURVEYORS, Helsingfors

A. Biaudet.

The Secretary  
LONDON.
