

M.S. "COASTAL CLIFF"

This ship was last submitted to Special Survey in April 1957, and has been laid up for a number of years, the class being qualified by the notation "Laid up pending survey".

The position remains unchanged and as more than eight years have elapsed since the last Special Survey was held it is submitted that the class be omitted from the Register Book reprint and the notation "Classed BC until 4,61" be recorded in the Register Book.

25th January, 1966.
