TRIESTE

14895 "ESSO SOUTHAMPTON" - This ship has today been classed #100A1 "Oil Tanker" together with the appropriate notations recommended by you.

It is concluded the hawsers and warps have been tested to Rule Requirements, but your confirmation on this point is desired.

It would appear that the Rpt. 1 should have been signed by at least two Surveyors, whereas only Mr. Lumsden's signature appears on the report. In the circumstances I shall be glad to learn if in fact a further signature should appear and if so the report will be returned to your Office for the necessary action.
