The Amsterdam Surveyors stated in November that this vessel
 been sold "as she lies" at Cape Town where she would be taken over
 the new Owners.

Enquiry was made as to the new owners intentions in regard to the
 standing surveys and the Cape Town Surveyor now states that the
 el is still laid up at that port awaiting the arrival of the new
 s Representatives. It is added that the Local Agents have no
 uctions in regard to the carrying out of the overdue surveys.
