5th November, 1961.

Dear Sirs,

I am in receipt of your memorandum of the 30th ultimo respecting the Steamer "MARTHE W. VINKE", the contents of which are noted.

I think it well to remark that the Boiler Survey and Annual Classification Survey will require to be held before the end of the present year if the vessel is to retain her class, and it is concluded that these inspections will be carried out when the vessel is transferred to the new Owners. I shall, however, be glad if you will confirm that this is so.

Yours faithfully,

Clerk to the
Classification Committee.

The Surveyors,

AMSTERDAM.
