Port

Mdb

To be filled in at Head Office.

Particulars of Classification (which must be inserted precisely as in Register Book and Supplement)

SHIP'S CLASS

Date of Special and of Drydocking Surveys, etc.

Machinery

Surveys must be reported in the terms of the Rules. The nature and extent of Examinations and Repairs (if any) must be stated in detail, the parts examined and their condition being clearly indicated. For Annual, Special or other Condition Surveys the Summary of Examination and Condition on the back of the Report is to be carefully completed and amplified if necessary in the body of the Report. Outstanding items to complete the Survey must be summarised at the end of the Report. The reasons for Repairs must be stated. Repairs on account of Damage (the alleged cause of which must be stated) should be separated in Repairs due to other causes, and, besides being detailed in the body of the Report, must be summarised in the form below. When, at a Special Survey, the Shell and Deck are drilled the results must be reported on Report 8(Dr). Whenever Anchors or Chain are replaced or retested the necessary particulars are to be given on Report 8(Eq). This is to be attached to this Report.

dates and references to any letters relating to this Report

Damage cases where the Surveyor has not made a special damage report he should state whether he offered his services for this purpose and to whom and why they were declined.

Freeboard as marked on ship and now verified ft ins

Was a damage report made by anyone else? If so, by whom?

Survey also been held on machinery of the Ship?

Is Classification Certificate required? If so, to be sent to

the Report sent now, or when will it be sent?

Has Interim Certificate been issued?

GENERAL OBSERVATIONS, OPINION AND RECOMMENDATION AS TO CLASS

State clearly what alteration, if any, is suggested to be made in the existing Classification or Survey or other records of the Ship in the Register Book consequent upon this survey; for example:— "to remain as Classed in the Register Book without fresh record of Docking"; "to remain as Classed and to have record of drydocking 1,55"; or "to remain as Classed and to have record of drydocking 1,55, and the notation of S.S. . . . 1,55".
