ENCLOSURES. TEBRO ex "BARON MACLAY" 12th August, 1957.

Dear Sirs,

TEBRO ex

Steamer "BARON MACLAY"

(S)  
WK

I acknowledge receipt of your letter of the 6th instant, with enclosure, regarding the above ship, the contents of which are noted.

In reply, I have to inform you that the shell plating was drilled in 1953 in accordance with British Corporation Rules (i.e. for a period of four years) and necessary repairs were effected to cover that period.

Under the Unified Rules the shell and deck plating will require to be drilled at the Special Survey (due August, 1957), which will cover a period of twelve years.

A copy of Manchester Report No. 17539 (Machinery only) is enclosed, and I shall be glad if you will forward this document to Messrs. Thomas Whitney, Limited, together with an account for £1 : 1 : 0.

Yours faithfully,

9/8/57

pro Clerk to the  
Classification Committee.

The Surveyors,  
CARDIFF.
