QUESTION

ANSWER

With reference to the Special Survey, which became due at the end of January last and which the Committee have agreed postponement until January, 1958, I shall be glad to learn what arrangements are proposed to be made for this inspection to be carried out.

Date:— 26th November, 1957.

The Owners state inter alia:—"the vessel is at present under timecharter until July 1958 and trading on the China Coast. Timecharterers have indicated to us that the vessel will probably be making a trip to Japan during January and in which case we propose to have the inspection carried out there. We shall not fail to keep you posted of any change in arrangements."
