27th January, 1921.

Dear Sir,

I have to inform you that the S.S. "EUDUNDA", which has been built by the Commonwealth Naval Dockyard, Cockatoo, has proceeded to your port where the Machinery is to be fitted on board.

To complete the survey the windlass and steering gear require to be fitted and the chain cables verified with the Certificates.

I shall therefore be glad if you will be so good as to give the case the necessary attention, and on completion of the work to your satisfaction to forward a report on form No.8 with a view to the classification of the vessel.

I am, Dear Sir,

Yours faithfully,

Secretary.

Alexander McCowan, Esq.,

MELBOURNE.
