R.

Dear Sirs,

s.s. "TEH HU"

In reply to your memorandum of the 1st November I have to say that the Committee are agreeable to a General Examination being held afloat early in December, with drydocking then or early next year, but in view of the age of the ship the period of postponement granted for the Special Survey will be determined by the condition of the ship as found and reported upon at the General Examination and drydocking.

It is concluded that the Main Boiler Survey, due at the end of January next, will be held at the same time as the General Examination and drydocking.

I shall be glad if you will advise the Owners accordingly.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

The Surveyors,  
HONG KONG.
