ANSWER

With reference to the entry in the Special Reasons List, I shall be glad to learn what arrangements are proposed to be made for the machinery condition of class to be dealt with as recommended.

At the same time I shall be glad to learn the Owners' intentions regarding the Boiler Survey which became due at the end of January.

Date:— 25th March, 1958.

We are informed by the Owners that they propose holding the Boiler Survey about the end of next month when the boiler is due for scaling.

The machinery condition of class will also be dealt with, we are informed, at the same time.
