New York 4, N. Y.

Dear Sirs,

S. S. "MOUNT ITHOME"

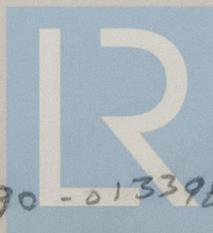

I refer to my letter of August 21st and shall be glad to learn if you are yet able to inform me if the half inch openings in the shaft tunnel side plating originally made for fitting thermometers have yet been permanently closed and if so at what port this may be verified.

Your early reply will be appreciated.

Yours very truly,

W. G. Sibley
Secretary
