FOR THE DIRECTOR

YOUNG & RUBICAM

DEAR SIR,

As you are aware we have been requested
to advise on the opening of a new office in
London at 10, St. James's Place. It is
proposed that the office should be situated
in a building which is being converted
from a residential to an office building.
The building is situated in a quiet
residential area and is well served
by public transport. It is a modern
building and is well equipped with
office facilities. The office would
be situated on the ground floor and
would be accessible from the street.

With reference to report No. 2221 on the above

DEAR SIR,

LONDON.

YOURS FAITHFULLY,
