QUESTION

ANSWER

Date:— March 25th, 1959.

With reference to the entry in your Return of Vessels under Survey for the quarter ended December last, I have to point out that the Screwshaft Survey will become due at the end of June and shall be glad to learn the Owners' intentions regarding this inspection.

This vessel has been purchased by Upper Lakes Shipping Limited and is presently at Sorel.

When the new Seaway is opened it is understood that the vessel is to be taken to Port Weller for re-construction.
