

**COPY** for 20.

Extract from New York semi-official letter dated 19.7.46.  
received 22.7.46. Original with "S".

M.S. "SAULT-AU-MOUTON" Mtl. 6655. A copy of Messrs.  
Fairbanks, Morse & Company's calculations of the torsional  
oscillations characteristics of the main propelling engines  
was sent to you under date of June 20th, and I trust it has  
reached you by this time.
