QUESTION

ANSWER

Date:—

Further to my letter of the 9th April, I have to point out that the Special RMC Survey became due in April, 1957, but postponement of this inspection until April, 1958, was also approved by the Committee in May, 1957.

I shall be glad if you will confirm that this Special RMC Survey and the Running Survey of the refrigerated cargo installation, due at the end of April, will be carried out at Hong Kong when the Special Survey referred to in my previous letter is carried out.

According to the records in this Office no part of the Special RMC Survey or Running Survey has yet been held.
