QUESTION

ANSWER

Date:—

With reference to your memorandum of the 4th February I have to point out that the Special RMC Survey, due in April, 1957, will also require to be carried out at the same time as the Special Survey.

I have also to point out that a Running Survey of the refrigerated cargo installation will become due at the end of April and I shall be glad to learn whether you have any information regarding the proposed arrangements for carrying out this inspection.
