7th November, 1919

Sir,

I beg to confirm the following telegrams which have passed between us to-day:-

RECEIVED:-

"McKie and Baxter's Engine 928 now fitted Steamer "WAR APPLE" Owners require Machinery Certificate to-day please request engineers wire authority hand same over."

SENT:-

"McKie and Baxter quite agreeable to certificate for machinery for "WAR APPLE" being handed over to Owners as desired."

I think it well to add that Messrs. McKie & Baxter state that they wired to you yesterday to the above effect; but apparently the telegram did not reach you.

I am, Sir,

Your obedient Servant,

J. L. Warlow.

Secretary to the
Glasgow Committee.

The Secretary,
