QUESTION.

ANSWER.

I shall be glad to learn whether this vessel is still laid up in your district.

For your information I may say that to complete the Boiler Survey the main boiler safety valves require to be adjusted and in October last the London Surveyors were advised that the vessel was then proceeding to Bideford to lay up, and that the Boiler Survey would be completed before recommissioning.

*Ans.*

Date:— 8th. February 1934.

The Owners inform us this vessel is still laid up indefinitely at Bideford.
