Dear Sir,

## Motorship "SHIBAM"

I acknowledge receipt of your letter of the 25th instant, enclosing one from the Owners of this ship, the contents of which have been noted.

I shall be glad if you will inform the Owners that the class of the ship will remain undisturbed until the year of grace for Special Survey has expired in November, 1959. If the ship is still laid up at that time, the case will be placed before the Committee who will no doubt give instructions for the class to be qualified by insertion in the Register Book of the notation "Laid up Special Survey overdue". This notation would, of course, be deleted as soon as a report of the satisfactory completion of the survey had been received in this Office.

Yours faithfully,

Deputy Clerk to the  
Classification Committee.

N. W. Oxford, Esq.,  
ADEN.
