MEMORANDUM

Dear Sir,

m.v. "Shibam" - Special Survey.

With reference to the writer's recent conversation with you concerning this vessel, we wish to confirm that it has been decided to lay-up "Shibam" at Aden for an indefinite period. We shall be obliged if you will kindly inform your Society accordingly and we shall be glad to receive your assurance that the decision to lay-up "Shibam" will not affect her classification. It is, of course, fully realised that should vessel be re-commissioned at a later date it will be necessary to carry out the survey requirements.

Yours faithfully,
ADEN COASTERS LTD.

Manager.
