Sir ,

Wood Motor Vessel " BALDUR "

I acknowledge receipt of your letter of 15th instant respecting the above vessel .

The vessel has now been sold to Reykjavik and the new Owner has been in contact with  
He intend to bring the ship to this port from Akureyri , for survey of screwshaft  
o carry out the Special Survey of the hull and he also intend to fit longitudinal  
plates fore and aft oute side of the planking on both sides , so she can get the  
ion " For carriage of light cargoes " off and be fit to carry all sort of cargo.

According to your letter mentioned above , instructions have been given for the  
ion " Class expired 7,57 " . Does that meen the ship is not classed any more ,  
e have nothing to do with her , even if the Owner wants her to remain classed  
the Society.

I would be glad to have your ansvere earliest possible as the Owner might come  
again about some arrangement in connection with the class .

Secretary ,  
Classn. (S) ,  
D O N .

Yours faithfully ,
