Dear Sir ,

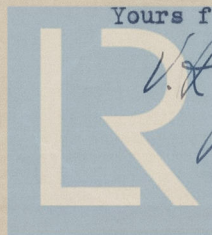

" BALDUR "

I thank you for your letters 27th ultimo respecting the above vessel.
The vessel is at the present laid up at Akureyri , after the herring
season , but I have been informed that she might be sold to Reykjavik .
I have communicated the man who intend to by her and informed him about
the outstanding surveys . If he does not by her she might be laid up at
Akureyri until next spring , but in any case she will not be put into
commision without the outstanding surveys being dealt with .

I regret very much that you ar not in position of forwarding to me a
copy of Rules for wood vessels as I have none and Mr. Jessen the former
Lloyd's Survey-or here, had not any one either .

Yours faithfully ,

The Secretary ,
Classn . (H) ,
