QUESTION

ANSWER

I have to point out that this vessel will become due for Screwshaft Survey at the end of June next, also that her class will expire at the end of July.

Date:— 29th April 1957 .

I have contacted the Owner of the " BALDUR " and he intend to have the Screwshaft Survey dealt with in June next but would be very gratefule if the Special Survey of the hull could be postponed until at the end of September next or after the herring season .

I shall be glad if you will ascertain from the Owners and let me know what arrangements are proposed to be made for the Screwshaft Survey to be carried out, also for the Restoration Special Survey to be dealt with.

V.P. Jensen.
