Periodicals of Examination and Repairs (if any) Docking
Periodical Surveys, when held, must be reported in detail and seriatim in the terms of the Rules. State clearly the cause of Repairs, if any, and, in detail, the nature and extent of Examinations and subsequent Repairs. Repairs on account of Damage (the cause of which must be stated) should be separated from Repairs due to other causes; and besides being detailed in the body of the report, should be briefly summarised at the end of the report. State also the dates and initials of any letters respecting this case.....

[illegible]

Insert Character of Ship and Machinery precisely as in the Register Book

The above survey was carried out in connection with classification survey which it is understood is being dealt with at Brightlingsea.

(State clearly what alteration, if any, is suggested to be made in the existing classification of the vessel's machinery in the Register Book, consequent upon this survey, and also any alteration required to be made in the records of the vessel's machinery, boilers, working pressures, &c.; thus, for example, BS 9,11, B&MS 9,11 \times LMC 9,11 or \times LMC 140 lb., PD, &c.)

is in good condition.
