Dear Sirs,

Dumb Barge "UNITED FOUR"

I acknowledge receipt of your letter of the 13th August, and you will realise that the "As Built" plans referred to in my letter of the 9th August have now been received.

So far as the First Entry Reports are concerned it will be necessary for a separate Rpt. 1 to be furnished for each barge.

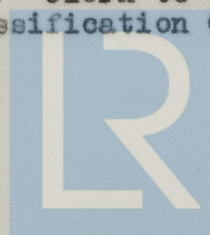

Twelve positive photostat copies of the Rpt. C.11 on the "UNITED FOUR" are being sent to you under separate cover for your use in reporting the sister barges, and you should complete the heading and sign in each case when reporting in due course. At the same time you should prepare a Rpt. C.11 (Comp.) for each barge and submit it with the Rpt. C.11. For your guidance in preparing the computations, I am also sending a photostat copy of the Rpt. C.11 (Comp.) on the "UNITED FOUR".

It will only be necessary for you to despatch plans in the case of the first barge and provided the same conditions apply, you may endorse the plans with the new Yard Numbers.

Yours faithfully,

Deputy Clerk to the  
Classification Committee
