Dear Sir,

Dumb Barge "UNITED FOUR"

We acknowledge receipt of your letter dated 9th instant, and note that you have not received the 'As Built' Plans referred to in our First Entry Report.

These plans were attached to and posted under the same cover as the Report, so we think it probable you have received them by now.

To obtain further copies of these drawings could take weeks and we therefore await your confirmation that the plans have gone astray.

While on this subject, we would be pleased to have your advice on the submission of First Entry and Freeboard Reports for a further twelve sister barges which are likely to complete within a short space of time. Individual submission of plans and reports exactly similar might profitably be restricted.

I am, Dear Sir,
Yours faithfully,

J MacLeod
