QUESTION

ANSWER

With reference to the Continuous Survey cycle of the machinery, I would inform you that according to the records in this Office the main engine Nos.2 and 4 crankpins and bearings have not been seen since February 1960, and, in the circumstances I shall be glad to learn what early arrangements are proposed to be made regarding their examination.

Date:— 29th October, 1966

Owners state outstanding items will be surveyed next week in Rijeka.
