LLOYD'S REGISTER OF SHIPPING,  
GOTHENBURG.

The Secretary,  
LONDON.

20th September, 1932.

Dear Sir,

With reference to the Convention ordinary freeboards computed in the case of the steamers "ALGERIA", "MASILIA" and "VALENCIA", I beg to acquaint you that the Owners inform us that they have reconsidered the question of the freeboard assignments for these vessels and that the Board of Directors have decided to retain the 1906 year's freeboards.

I shall therefore be glad if you will kindly forward me new certificates for these three vessels.

I may add that the Owners' Superintendent states that with regard to the steamers "ALGERIA" and "VALENCIA" they would have preferred if a freeboard, 5 inches less than that computed in accordance with the 1906 rules, could be assigned, but I informed him that the Society can only issue certificates in accordance with 1906 year's regulations or with the new Convention rules. I shall, however, be glad if you will kindly confirm if this statement of mine is correct.

The freeboard reports for the steamers "ALGERIA" and "MASILIA" are enclosed herewith.

The freeboard report for the steamer "VALENCIA" is retained in the London Office.

I am, Dear Sir,  
Yours faithfully,

V.C.BULOW.
