Dear Sirs,

## CLASSING LETTER

29785 "ATLANTIC DOLPHIN". This ship has today been classed \* 100 A1 "Stern Trawler" together with the appropriate notations recommended by you.

I shall be glad to learn the reason for the period of time taken to build this trawler, especially the period between launching and completion.

With regard to your Report C.11, I have to inform you that the information given on this Report for the forecastle bulkhead stiffeners and height of door sill for the forecastle bulkhead door openings does not agree with the "As Fitted" Plans. I shall be glad, therefore, if you will state whether the stiffeners are 2½" x 2" or 2½" x 2½" and whether the door sill is 24" or 27".

Yours faithfully,

pro Clerk to the  
Classification Committee

The Surveyors,  
GRIMSBY
