Dear Sir,

"YUKIKAWA MARU".

The above vessel has been surveyed in Kobe for classification with this Society. Please find enclosed the Hull and Machinery Reports and 1st entries duly completed, also the Freeboard C.11 and C.11(Comp). It will be noted in the Freeboard report several of the upper deck air pipes are under height. The Owners have been informed of this and they intend to make the necessary alteration in the near future.

The BHD plan and strengthening of bottom forward was approved locally.

The capacity plan enclosed should be returned to this office having been obtained on loan from the Owners.

Yours faithfully,

The Surveyors.
