The Secretary,
LONDON.

Dear Sir,

m.s. "ARJEPLOG".

With reference to your classing letter dated the 20th instant on the above vessel, Gothenburg First Entry Report No.22160, we have to confirm that satisfactory steam accumulation tests have been held on the safety valves of the Donkey Boilers and exhaust gas economiser.

We are advised by the Builders that torsionograph records were taken from the main machinery of the sister ship, m.s. "ABISKO", and that we will be furnished with a copy in the next few days.

Yours faithfully,
THE SURVEYORS, Gothenburg
